### LEGISLATIVE DEPARTMENT.

THE following Act passed by the Lieutenant-Governor of Bengal in Council, received the assent of His Honor on the 4th May 1871, and having been assented to by His Excellency the Governor General on the 19th idem, is hereby promulgated for general information:—

#### ACT No VIII of 1871.

An Act for the better regulation of Markets in Calcutta and to empower the Justices to establish Municipal Markets.

WHEREAS it is expedient to enable the Justices of the Peace for the Town of Calcutta to establish municipal markets for the sale of meat, fish, fruit, and vegetables within the limits

of the town of Calcutta, and to make provision for the better supervision and regulation of all markets therein; It is enacted as follows:—

I. It shall be lawful for the Justices of the Peace for the town of Calcutta to grant licenses for the use of any place as a market for the sale of meat, fish, fruit, and vegetables within the said town.

II. Every license to be granted under the provisions of this Act shall be in force until the 1st day of January next ensuing the day therein named for the commencement thereof, and the said Justices shall grant such license whenever it shall be certified to them in writing, under the hand of the Health Officer of the Justices, that such place is fit to be used as a market.

III. The Health Officer upon the application in writing of the owner of any such place shall certify under the preceding section unless such place be defective as a market in drainage, ventilation, water-supply, or proper width of paths and ways therein.

IV. Whoever wilfully or negligently permits any place within the limits aforesaid to be used as a market for the sale of meat, fish, fruit, or vegetables, without a license under this Act shall, unless such place shall have been used as a market for the sale of similar articles at the time of the passing of this Act, be liable to a penalty not exceeding two hundred Rupees, and shall also be liable to a further penalty not

exceeding fifty Rupees for every day during which the said offence shall be continued.

V. Whenever three convictions under the provisions of Section IV shall have been pronounced, in respect of the same place, it shall be lawful for any Police Magistrate of Calcutta on the application of the Justices to order such place to be closed, and thereupon to appoint persons, or otherwise take order, to prevent such place being so used; and every person who shall sell or expose for sale meat, fish, fruit, or vegetables in any place which shall have been so closed, shall be liable for each offence to a fine which may extend to ten Rupees.

VI. The owner or lessee of every place within the limits aforesaid at the time of the passing of this Act used as a market for the sale of meat, fish, fruit, or vegetables, shall, within six months of the passing of this Act, register or cause to be registered the same in a book to be kept for that purpose by the Justices at their office, in which shall be stated the name of the owner thereof and of the lessee, the extent and boundary of the market, and the description of articles sold therein.

VII. Such registration shall be made on the application in writing of the owner or lessee, or some one of the owners or lessees thereof, and every such application shall contain the particulars hereinbefore required to be set out in the registration.

VIII. Every transfer of interest in any such market as last aforesaid shall be in like manner registered within two months after the date of transfer.

IX. Any market which or the transfer of which shall not be duly registered under the preceding sections shall be deemed to be a place not used as a market at the time of the passing of this Act.

X. Whenever any person who shall have been convicted of any offence under this Act, or under Section CXCVIII of Act VI of 1863, passed by the Lieutenant-Governor of Bengal in Council or against any of the bye-laws made or to be made under the provisions of Section CXCVI of the said Act in respect to markets, shall again be convicted of an offence against the same provision, the penalty to be inflicted for the first of such subsequent offences shall not be less than one moiety of the maximum penalty provided for such offence, and for the second and every subsequent offence shall not be less than such maximum penalty.

XI. The Justices may from time to time, if they shall think fit, with the sanction of the Government of Bengal, provide places within the said town for the purpose of being used as municipal markets, and may charge such rents, tolls, and fees as to them may seem fit for the use of or right to expose goods for sale in such markets, and for the use of shops, stalls, and standings therein.

XII. All such rents, tolls, and fees which shall be imposed shall be recoverable by the Justices, from the persons liable to pay the same,

as if the amounts payable in respect thereof were rates due to the Justices from such persons under the provisions of the said Act VI of 1863.

XIII. It shall be lawful for the Justices to make bye-laws for the establishment and publication of a price current, by measure, weight, or tale, of the articles sold in municipal markets under this Act and for prescribing the mode of sale of such articles.

XIV. It shall be lawful for the Justices to expel from any such market any person who or whose servants may be convicted of disobeying any such bye-law, and to prevent such person by himself or his servants further carrying on any trade or business in such market, or occupying any stall or shop therein, and to determine any lease or tenure which such person may have in any such stall or shop.

XV. For the acquisition of land for the purpose of municipal markets, and the construction of such markets thereupon, the Justices may, from time to time, with the sanction of the Lieutenant-Governor of Bengal, borrow, in addition to the sum mentioned in Section IX of Act IX of 1867 passed by the Lieutenant-Governor of Bengal in Council, by way of debenture on the security of the lands and buildings thereon, and of the rents, tolls, and fees payable in respect of such markets, and the collateral security of the taxes and dues imposed and levied on account of the municipal fund under any Act passed in that behalf, or of a portion of them, and at such rate of interest and upon such terms as to the time of re-payment and otherwise as the Lieutenant-Governor of Bengal may approve, any sums of money the Justices may require for the objects aforesaid not exceeding in the aggregate six lakhs of Rupees.

XVI. All the debentures aforesaid issued under the authority of this Act shall be in the form contained in the schedule to this Act, and shall be transferable by endorsement, and the right to sue in respect of the monies secured by any of such debentures shall be vested in the holders thereof for the time being, without any preference by reason of some of such debentures being prior in date to others.

XVII. The Justices may at any time, with such consent as aforesaid, raise, by the issue of new debentures, any money that may be required to pay any monies for the time being due on any debentures issued in pursuance of this Act.

XVIII. The security of monies borrowed under the provisions of this Act shall, so far as regards the rates, taxes, and dues imposed and levied on account of the municipal fund, be postponed to the rights and securities of holders of debentures under the provisions of the said Act VI of 1863, and the interest of monies borrowed under this Act shall in the first instance be payable out of the rents, tolls, and fees received under this Act.

XIX. It shall be lawful for the Justices to purchase any land which may be required for the establishment of a municipal market under this Act, and such land shall be deemed to be land required to be taken for public purposes.

XX. This Act shall be read with and as part of Act VI of 1868 passed by the Lieutenant-Governor of Bengal in Council.

Short title. XXI. This Act may be called "The Calcutta Markets Act," 1871.

The following Bill was read in the Council of the Lieutenant-Governor of Bengal, for the purpose of making Laws and Regulations on the 3rd June 1871, and was referred to a Select Committee with instruction to report thereon within a month:—

*A Bill to provide for local rating for the construction and maintenance of roads and other means of communication.*

WHEREAS it is expedient to make provision for the construction and maintenance of roads and other means of communication within the territories of the Lieutenant-Governor of Bengal, and for that purpose to authorize the levy of a district road cess on immoveable property situated therein, and also to constitute Local Committees for the assessment of the same, and for the management of the proceeds thereof; It is hereby enacted as follows:—

#### PART I.—PRELIMINARY.

I. This Act shall commence and take effect in those districts in the provinces subject to the Lieutenant-Governor of Bengal, to which the said Lieutenant-Governor shall extend it by any order published in the *Calcutta Gazette*, and thereupon this Act shall commence and take effect in the districts named in such order on the day which shall be in such order provided for the commencement thereof.

II. In this Act the words in this section mentioned shall have the meanings therein attributed to them respectively, except where, from the context, a contrary intention appears:

"House" includes any shop or warehouse or place of business, or factory, or other building or buildings within the same enclosure, or so much thereof as is separately occupied by a person or family.

"Land." "Land" means land which is cultivated, uncultivated, or covered with water.

"Estate" means any land or share in land subject to the payment to Government of an annual sum in respect of which the name of a proprietor is entered on the register known as the general register of all revenue-paying estates, or in respect of which a separate account may, in pursuance of Section X or Section XI of Act XI. of 1859, have been opened, and also any land or share in land entered in the register of revenue-free tenures.

"Tenure" includes all interests in land, whether rent-paying or lakhiraj, save estates as above defined, and save the interests of cultivating ryots.

"Collector." "Collector" includes any person vested with the powers of a Collector.

"Zemindar" means the person whose name is registered in either of the aforesaid registers as the proprietor of an estate.

"Immoveable property" includes lands, houses, and all benefits to arise out of land and things attached to the earth or permanently fastened to anything which is attached to the earth.

"Cultivating ryot" means a person cultivating land and paying rent therefor not exceeding one hundred rupees per annum.

"Annual value of land" means the total rent which is or would be reasonably expected to be payable during the year by all the cultivating ryots thereof, or by other persons in actual use and occupation thereof.

III. From and after the commencement of this Act in any district within the territories subject to the Lieutenant-Governor of Bengal, all immoveable property situated therein, and not within the limits of the town of Calcutta, or of any place or town to which the provisions of the "District Municipal Improvement Act," or the "District Towns Act, 1868," respectively, passed by the Lieutenant-Governor of Bengal in Council, shall have been extended, shall be liable to the payment of a district road cess, to be applied to the construction and maintenance of roads and other means of communication within the said territories, and to be assessed thereto in manner as hereinafter is provided, and such road cess shall be leviable on the several owners and occupiers of such property in the proportions and in the manner as are hereinafter provided.

#### PART II.—ROAD CESS ON LAND.

##### Valuation.

IV. Upon the commencement of this Act in any district, the Collector shall cause a proclamation to be issued, requiring every zemindar and holder of any tenure to lodge at the collector's office within one month a return of all lands comprised in his estate or tenure in the form in Schedule (A) hereto annexed, and containing the particulars in such form set forth. The Collector shall cause such proclamation to be published by affixing a copy

thereof in some conspicuous place in the office of such Collector, in each civil court, and in the office of each subordinate revenue officer within the district.

V.. The Collector shall, so soon as may be after the publication of such proclamation, serve a notice in the form in Schedule (A) for every estate, and also a notice on every holder of any tenure who may have been named in any return lodged in pursuance of the provisions of this Act, or in any register in the Collector's office; and every zemindar of such estate or holder of such tenure who shall, without sufficient cause being shown to the satisfaction of the Collector, refuse or omit, for the space of three months after service of such notice, to lodge in the office of such Collector such return as hereinbefore mentioned, shall be liable, unless sufficient cause be shewn to the contrary, to a fine which may extend to fifty rupees for every day after the expiration of such three months, until such return shall be furnished, or until the value of such lands shall have been fixed by the Collector as hereinafter is provided. It shall be lawful for the Collector, upon sufficient grounds for so doing being proved to his satisfaction, to extend the time for lodging any such return.

VI. From and after the expiry of three months from the service of any such notice, or any extension of such time under the provisions of the section next preceding, no zemindar or holder of a tenure within such district shall be entitled to sue for or recover any rent in respect of any land or tenure which shall be proved not to have been included in the return lodged by him, as aforesaid, nor to recover rent for tenures subsequently created or in excess of the sum mentioned in such return, without proof of the creation of such tenure or enhancement subsequent to such lodgment.

VII. Every fine for any omission or refusal to send in any return heretofore required, may be imposed by the Collector, and the amount of such fine accruing due from time to time may be levied without further confirmation by the same procedure as is prescribed by any law for the time being in force for the recovery of arrears of revenue due on account of the estate in respect of which the return is not sent in.

VIII. Every order for the levy of a fine or of expenses passed by a Collector under this Act shall be appealable to the Commissioner of Revenue within one month from the service of the first process for the levy of such fine or expenses, and no estate shall be sold for the levy of such fine or expenses pending an appeal without the special order of the Commissioner.

IX. The Collector may, after the expiration of four months from the service of the notices mentioned in Section V., ascertain and fix, by such ways and means as to him shall seem expedient, the annual value of the lands within his district of which no return in the form in Schedule (A) showing the rents payable by the cultivating ryots thereof, or showing the value thereof as being under cultivation, shall theretofore have been lodged; and all expenses incurred in making such valuation shall

be borne by the person by whose default such valuation shall become necessary, and may be levied from them as if the same were arrears of a demand under Act VII of 1868 passed by the Lieutenant-Governor of Bengal in Council. For the purpose of making the said enquiry the Collector shall exercise the powers vested in Collectors under Regulation VII of 1822 of the Bengal Code.

X. Whenever the Collector may deem that any return of lands for which no rent is payable by cultivating ryots to the person making such return is untrue or incorrect, he may, by such ways and means as to him shall seem expedient, ascertain and fix the annual value of such lands; and in case the annual value of such lands so determined by him shall exceed by one-fifth the value stated in such return, the expense of such valuation shall be paid by the person by whom such return shall have been lodged, and may be levied from him as if the same were arrears of a demand under the said Act VII of 1868, passed by the said Lieutenant-Governor, and in all other cases shall be defrayed from the District Road Fund established under this Act.

XI. It shall be lawful for the Collector, whenever he may think fit, to cause a notice in the form in Schedule (A) to be served on any person holding any lands or possessing any interest therein, although such person may have been mentioned in any return as a cultivating ryot; and thereupon such person shall be bound to make a return in the form in Schedule (A) contained, and shall be liable to a fine as in Section V is provided. If no return is made, the Collector may proceed to ascertain the annual value of the lands held by such person, and in case it appears that the annual value of the land is greater than the rent which he pays, the expense of such valuation shall be borne by such person and may be levied as in the next preceding section is provided; and in all other cases shall be defrayed from the said District Road Fund.

XII. If the Collector shall see ground for believing that any return made under this Act other than a return mentioned in Section X. or required by Section XI. is untrue and incorrect, he may prosecute the maker of such return under Section 177 of the Indian Penal Code. And if the Magistrate convict the person so prosecuted, under the said section, the Collector may proceed to make a valuation of the lands mentioned in such return in the manner prescribed by Section IX. of this Act.

XIII. The Collector shall cause to be prepared from the returns so furnished to him, and from the valuations made by him under the provisions of Sections IX., X., and XII. a valuation roll of each estate within his district and of the tenures therein comprised, and shall, on the application of any zemindar or holder of any tenure, or cultivating ryot within his district, cause to be furnished to him a copy of so much of the said roll and of the returns as relate to the lands included within his estate or tenure or ryottee holding, on being paid for the same at such rate as the Lieutenant-Governor of Bengal shall from time to time determine.

XIV. On the completion of each such roll, the Collector shall cause a copy thereof to be posted up at the mal cutcherry of the estate, to which such roll refers; and if no mal cutcherry be found, then on some conspicuous place on the said estate.

XV. Every person who shall deem himself to be aggrieved by any valuation to be made by any Collector under the provisions of Section X. may, within one month after the posting up of a copy of such roll as above-mentioned, appeal to the Commissioner of the Division against such valuation, and the decision of such Commissioner shall be final and conclusive.

*Assessment and Payment.*

XVI. From and after the commencement of this Act in any district, all lands in such district shall be liable to the payment of a district road cess at a rate not exceeding one-half of an anna in the rupee of the annual value of such lands.

XVII. (1)—Every zemindar shall yearly pay the entire amount of the annual road cess calculated on the annual value of the lands comprised in such estate, at the rate at which the road cess shall have been assessed as hereinafter provided, less a deduction to be calculated at one-half of the said rate for every rupee of the revenue payable in respect of such estate.

(2)—Every holder of a tenure shall yearly pay to the holder of the estate or tenure of which the land he holds forms a part, the entire amount of the annual road cess calculated on the gross rental of the land comprised in his tenure or holding, at the rate at which the road cess shall have been assessed as hereinafter provided, less a deduction to be calculated at one-half of the said rate for every rupee of the rent paid for such tenure or holding.

(3)—Every cultivating ryot shall pay to the person to whom his rent is payable one-half of the said rate calculated upon the rent payable by him, or on the annual value, ascertained under the provisions of Section XI., of the land held by him.

XVIII. When the rate of road cess to be levied in any district shall have been determined for any year by the District Committee in manner as hereinafter provided, the Collector shall serve on every zemindar whose estate or part thereof is situated in his district, a notice showing the amount of road cess payable by such zemindar, and specifying the date from which such road cess shall take effect. And thereupon the zemindar shall pay the amount of such road cess to the Collector, by equal instalments, on the several days fixed for the payment of the instalments of the Government revenue due in respect of his estate, if malgoozary; and if lakhiraj, upon such days as shall be for that purpose appointed by any order of the Lieutenant-Governor made under the provisions hereinafter contained.

XIX. Every instalment of such road cess payable to the Collector which shall not be paid, shall be recoverable as if the same were arrears of revenue due in respect of the estate in respect of which such road cess is payable.

XX. The payment for road cess by the owner of a tenure, or by a cultivating ryot, shall be made in the proportion of the kists of rent payable in respect of such tenure or ryottee holding; and if there be no rent payable in respect thereof, then by two equal half-yearly instalments.

XXI. All lands held without payment of rent, and not being estates for the purposes of this Act, shall be deemed to form a part of the tenure within the local boundaries of which they may be included, and if they be not included within the local boundary of any tenure, then to be a part of the estate within the local boundaries of which they are included, and if they be not included within the local boundaries of any estate, then to be a part of such conterminous estate as the Collector shall by an order under his seal appoint.

XXII. It shall be lawful for the person to whom any sum shall, under the provisions of the section next preceding, have been directly paid by the holder of any tenures for which no rent is paid, to retain one-fourth thereof as and for his remuneration for the risk and trouble of collecting the same.

XXIII. Every zemindar or holder of a tenure to whom any sum may be payable under the provisions of this Act, may recover the same as if the same were arrears of rent due in respect of the land in respect of which such sums may be payable. Provided that no zemindar or holder of a tenure, who shall have failed in due time to lodge with the Collector any of the returns by this Act required, shall be entitled to recover any such sum until such returns shall have been lodged.

**PART III.**

**ROAD CESS ON MINES, RAILWAYS, &c.**

XXIV. From and after the commencement of this Act in any district, every mine, quarry, tramway, or railway, or other immoveable property not included within the provisions of Part II. and Part IV. of this Act, situated therein, shall be liable to the payment of road cess at such rate, not exceeding one-half anna on every rupee of the annual net profits of such mine, quarry, tramway, or railway, or other property as aforesaid as the District Committee may as hereinafter provided determine.

XXV. At the time and in the manner provided by Section V. of this Act, the Collector shall serve a notice upon the owner or the chief agent or manager of every mine, quarry, tramway, and railway in his district: such notice shall be in the form provided by Schedule (B) of this Act, and shall require such owner or chief agent or manager to send in to the office of the Collector a return of the annual net profits of such property for the year next preceding. It shall be lawful for the Collector, upon sufficient grounds for so doing being proved to his satisfaction, to extend the time for lodging any such return.

XXVI. If the required return for any property of the kind described in the next preceding section be not furnished within two months of the date on which

the notice was served, or any extension of time under the provisions of the next preceding section, the Collector shall proceed to ascertain and determine, by such ways or means as to him shall seem expedient, the annual net profits of such property, and all expenses incurred in making such valuation shall be borne by the person by whom, or the property in respect of which, the default occurred.

**XXVII.** Whenever the Collector may deem that any return made under this part is untrue or incorrect, he may, in such manner as may seem fit to him, ascertain and determine the amount of the annual net profits of the property mentioned in such return. He shall also cause to be served upon the owner, chief agent, or manager of such property, a notice informing him of the amount of the annual net profits so ascertained and determined by him. Any person who may deem himself aggrieved by such valuation made by the Collector under this section may, within one month from the service of such notice, appeal to the Commissioner of the Division, and the decision of the Commissioner on such appeal shall be final.

**XXVIII.** If the Collector be unable to ascertain the annual net profits of any property described in the two sections next preceding, he may, in such manner as may seem fit to him, ascertain and determine the value of such property, and shall thereupon determine six per centum on such value to be the annual net profits thereon. The expenses incurred under this section shall be borne by the person by whom, or the property in respect of which, the default occurred.

**XXIX.** Whenever any property assessable under this part may lie in two or more districts under the Lieutenant-Governor of Bengal, the notice to furnish a return under Section XXV. of this Act shall be served on the owner, manager, or chief agent of such property by the Collector of the district where such owner, manager or chief agent may reside or have his chief place of business, and one return for the whole of such property shall suffice.

**XXX.** Whenever any property assessable under this part lies partly within and partly outside the territories subject to the Lieutenant-Governor of Bengal, the return sent in under Section XXV. of this Act shall state the total annual net profits accruing from such property, and also the proportion of such profits which may reasonably be calculated to accrue in the territories subject to the Lieutenant-Governor of Bengal.

**XXXI.** When the rate of road cess to be levied in the district upon property assessable under this part shall have been determined for any year by the District Committee in manner as hereinafter provided, the Collector shall serve on the owner, chief agent, or manager of every such property a notice showing the amount of road cess payable by such property, and specifying the date from which such cess shall take effect. And such amount shall be payable by such owner, chief agent, or manager to the Collector in two equal instalments, on the 1st May and 1st November respectively. Any instalment of cess which, having

become payable under this section, shall not be paid to the Collector, may be recoverable as if the same were arrears of a demand under Act VII of 1868.

**XXXII.** The road cess payable in respect of any mine, quarry, tramway or railway, owned by the same person in two or more districts shall be payable to the Collector of the district where the owner or chief agent or manager may reside or have his chief place of business. And all moneys received on account thereof shall be apportioned in such manner as the Lieutenant-Governor of Bengal may direct, to the District Committees of the districts in which any part of such property may be situate.

**XXXIV.** The said cess shall be payable by the occupiers of the house respectively liable thereto according to the rates to be determined by the District Committee in manner as hereinafter provided not exceeding the rates set forth in Schedule (C) annexed to this Act, provided that every occupier who shall have paid the said cess may deduct one-half of any sum paid under this part from the next instalment of rent which may become payable by him to the owner of the house for which such cess shall have been paid.

**XXXV.** No house cess shall be payable by any person by whom any district cess is payable under the provisions of Part II. or Part III. of this Act, in respect of any house occupied by him as a dwelling or otherwise unless such person shall carry on some trade or profession unconnected with such land and property.

**XXXVI.** The value of the houses liable to such cess shall be assessed and determined, in villages to which the provisions of Act XX. of 1856, or of "The Village Chowkeedaree Act, 1870," passed by the Lieutenant-Governor of Bengal in Council, shall have been extended, by the punchayets of such cities, towns, suburbs, stations, bazars, unions or villages, respectively; and in all other places and villages by assessors to be appointed by the Collector. The Collector shall, as soon as conveniently may be after this Act has come into force in his district, send written notices to such assessors and punchayets respectively, requiring them forthwith to prepare such assessments.

**XXXIX.** The Collector may, within two months of the receipt of the copy of the assessment, cause the said assessment to be tested by a Superintendent thereto appointed by him. The assessment fixed by the punchayet or assessors shall be final, except in cases where the said Superintendent shall increase the said assessment. Any person who may deem himself aggrieved by such increased assessment may appeal in writing, within one month of the publication of such increased assessment, to the Collector, and the order of the Collector shall be final thereon.

**XL.** In case the punchayet or assessors who, by the provisions hereinbefore contained, are charged with the duty of making an assessment for the district house cess in any town, village, or place, shall fail to make such assessment within two months of the dates on which they shall have been respectively required to prepare such assessment, the Collector shall appoint some person to make such assessment; and the assessment made by such person shall have the like force and effect as if the same had been made by the punchayet or assessors aforesaid.

**XLI.** The district house cess payable in respect of any house situate in any village to which the provisions of either of the Acts mentioned in Section XXXVI. shall have been extended, shall be levied from the occupiers thereof half-yearly in two equal instalments, the first becoming due on the expiry of six, and the second on the expiry of nine months after publication of the assessment as aforesaid by such persons and by such ways and means as if the same were a rate or tax payable under the provisions of the Act extended to such place, town, station, suburbs, bazar, union or village, and the person liable to pay such district house cess in respect of such house were the occupier thereof; provided the limitation of six months prescribed in Section XLVII. of Act XX. of 1856 shall in respect to the house cess be extended to one year.

**XLII.** Every sum in respect of district house cess, which shall by any person or body of persons be realized under the provisions aforesaid, shall be with all convenient speed transmitted by him or them to the Collector, or to such person as the Collector may appoint to receive the same.

**XLIII.** In places other than those to which the provisions of Act XX. of 1856, or of "The Village Chowkeedaree Act, 1870," shall have been extended, the district house cess which may be payable in respect of every house therein shall be payable by the occupier thereof by two equal instalments, payable as aforesaid.

**XLIV.** Any such instalment, if not paid on or before the tenth day after it has become due and payable, may be levied in the manner prescribed for the levy of an arrear of village chowkeedaree tax in Sections XXV. to XXXIII. of Act VI. of 1870, passed by the Lieutenant-Governor of Bengal in Council, and for the purposes of such levy the assessor shall exercise the powers of a punchayet under Section XXV. and of the collecting member of such punchayet under Section XXVI. of the said Act.

#### STATEMENT OF OBJECTS AND REASONS.

THE funds available for improving roads and water communications in Bengal have been hitherto small: more especially has this been the

case in districts remote from the great trunk roads. The imperial treasury is unable to increase its grants for Bengal roads; the local funds of Bengal districts are very small, and the income of those funds is not increasing. If there is to be any improvement in the internal communications by road and river in Bengal, the funds for such improvements must be raised from local sources by local rates. There has been much discussion as to the form which such local rating should take. The outcome of the discussion was expressed in a recent despatch from the Secretary of State for India to be—that the new cess for roads should be “levied equally without distinction and without exemption upon all the holders of property accessible to the rate.” Immoveable property of all kinds has been generally considered as justly accessible to a road rate. The present Bill provides for the levy of a cess on all immoveable property as far as possible “without exemption and without distinction,” except in favor of immoveable property already rendered liable to local rating by the District Municipal Act, and the District Towns Act, 1868. The Bill provides also for the constitution of local bodies which will administer the funds raised in each district.

*Notification.*—The following Resolution this day recorded by the Lieutenant-Governor in the Provincial Budget of this department is published for general information:—

No. 2202.

*Extract from the Proceedings of the Hon'ble the Lieutenant-Governor of Bengal in the Public Works Department, accounts, under date the 7th June 1871.*

PROVINCIAL SERVICES PUBLIC WORKS BUDGET ORDERS, 1871-72.

*Read again* Proceedings of this Government (Accounts) No. 1 of January 1871, being Resolution of the Government of India, No. 3334, Financial Department, dated 14th December 1870, enlarging the powers and responsibilities of local Governments and Administrations in respect to the public expenditure in some of the Civil Departments.

*Read again* Proceedings of this Government (Accounts) No. 2 of January 1871, containing remarks of the Hon'ble the Lieutenant-Governor on the Resolution read above.

*Read also* Resolution recorded by this Government in the General Branch, which was received with endorsement No. 2063 dated 8th instant, making the allotments for the current year to the various departments which have been transferred by the Government of India to provincial control.

*REMARKS.*—The funds assigned by the Resolution of the General Branch of this Secretariat for expenditure on Provincial Public Works in Bengal during the year 1871-72 read above aggregate Rs. 34,32,039 as follows, viz:—

Permanent assignment made from Imperial treasury by Resolution No. 3334 of 14th December 1870 and subsequent orders ...	33,13,564
Share in the savings of 1870-71 allotted to the provincial services, Bengal ...	1,18,475
Total ...	34,32,039

2. It will be observed that the amount considered to be available for expenditure does not include any portion of the estimated public works revenue of the province, though there can be no doubt that such revenue should, in accordance with paragraph 14 of the Resolution of the 14th December 1870, be available in addition to the permanent assignment. There has been question regarding it, and the amount when received will be available for demands arising in the course of the year.

3. The budget of outlay has been framed for the full amount of available funds, or Rs. 34,32,039 under the following main heads:—

SERVICE.	Original Works.	Repairs.	Total.
	Rs.	Rs.	Rs.
Civil buildings ...	6,52,000	4,00,000	10,52,000
Communications ...	4,02,000	9,25,000	13,27,000
Miscellaneous public improvements ...	14,000	7,000	21,000
Total works ...	10,68,000	13,32,000	24,00,000
Establishments ...	...	...	9,90,000
Tools and plant ...	...	...	42,039
Grand total ...	...	...	34,32,039

4. ORIGINAL WORKS.—The grant for civil buildings has been appropriated as follows, viz:—

	Rs.
For jails ...	1,10,499
„ registration buildings ...	2,696
„ educational ...	10,300
„ medical ...	36,769
„ other buildings ...	2,72,444
„ stores from England ...	30,000
Reserved for minor works ...	1,89,292
Total ...	6,52,000

5. The grant for educational buildings will be supplemented by contributions from local funds to the extent of Rs. 91,523, and that for other buildings to the extent of Rs. 6,908, making the total estimated outlay of the year on civil buildings Rs. 7,50,431.

6. The grant for roads amounts to Rs. 4,02,000 as follows:—

	Rs.
Works already in progress ...	1,67,218
Stores from England ...	1,25,950
Reserved for minor works ...	1,08,832
Total ...	4,02,000

7. It may be remarked that the amount set apart for stores from England is provided under the orders of the Government of India, but there exists no definite information of what the actual charge against this Government during the year 1871-72 may be. The amount reserved for minor works, both under civil buildings and communications, is larger in proportion than usual, as there will probably be a necessity for providing payment for several works which have been continued in progress from the past year until the issue of these orders.

8. The grant for miscellaneous public improvements, Rs. 14,000, does not call for any remark.

9. The grant for repairs to civil buildings is Rs. 4,00,000 against the grant of Rs. 3,99,200 in the past year, and that for communications is Rs. 9,25,000 against a grant of Rs. 9,67,500 in 1870-71. It may be remarked that provision is made for the reasonable maintenance during the current year of all roads which have hitherto been maintained at the charge of imperial funds, but measures are now being taken to determine what roads shall in future be maintained as provincial roads.

10. The grant for repairs to miscellaneous public improvements, Rs. 7,000, calls for no remark.

11. The provision for establishment, Rs. 9,90,000, is unduly heavy; but the grant for imperial public works establishments, Rs. 4,47,000, is very small, and taking the entire establishments both imperial and provincial the total is Rs. 14,37,000 against the grant of Rs. 14,89,000 for the past year. The question of establishments needs early attention, but is delayed for orders on certain points, which have been referred to the Government of India.

12. Out of the total estimated outlay of the province, or Rs. 34,32,039, the amount set apart for expenditure in Assam, the Commissioner of which province is vested in this department with the powers of a local administrator as defined in the Public Works Code, is Rs. 3,48,676 as follows, exclusive of the provision made for the branch Office of Account:—

CIVIL BUILDINGS—		
Original works ...	4,000	
Portion of minor works grant ...	12,900	
Repairs ...	26,825	42,825
COMMUNICATIONS—		
Original works ...	33,061	
Portion of minor works grant ...	5,000	
Repairs ...	90,640	1,28,701
MISCELLANEOUS PUBLIC IMPROVEMENTS—		
Repairs ...	150	
Portion of minor works grant ...	500	650
Establishment ...		1,67,500
Tools and plant ...		9,000
Total ...		3,48,676

13. It will rest with the Commissioner to suggest any transfer or re-appropriation of funds which may appear desirable, and it will be for that Officer to suggest what modification of establishment will be desirable in order to reduce this very heavy charge.

ORDER.—Ordered, that a copy of this Resolution, and of the Budget-Estimate as passed by His Honor the Lieutenant-Governor, be forwarded to the General Branch of this Secretariat and to the Joint-Secretary of this Government in the Irrigation Branch for information.

Ordered, also, that a copy of this Resolution, together with a copy of the Budget-Estimate, be forwarded to the Commissioner of Assam, to the Accountant-General, Bengal, and to the Controller, Public Works Accounts, Bengal, for guidance.

Ordered, also, that a copy of this Resolution, together with a copy of the Budget-Estimate, be forwarded to the Commissioners of the several Divisions in Bengal, to the Director of Public Instruction, to the Inspector-General of Jails, Lower Provinces, the Registrar-General of Assurances, the Inspector-General of the Medical Department, the Inspector-General of Police, the Superintendent of Studs, the Master Attendant, Calcutta, and to the Superintending Engineers of Circles, for information and guidance.

### LEGISLATIVE DEPARTMENT.

The following Act passed by the Lieutenant-Governor of Bengal in Council, received the assent of His Honor on the 4th May 1871, and having been assented to by His Excellency the Governor-General on the 19th idem, is hereby promulgated for general information:—

ACT No VIII of 1871.

*An Act for the better regulation of Markets in Calcutta and to empower the Justices to establish Municipal Markets.*

WHEREAS it is expedient to enable the Justices of the Peace for the Town of Calcutta to establish muni-

cipal markets for the sale of meat, fish, fruit, and vegetables within the limits of the town of Calcutta, and to make provision for the better supervision and regulation of all markets therein; It is enacted as follows:—

I. It shall be lawful for the Justices of the Peace for the town of Calcutta to grant licenses for the use of any place as a market for the sale of meat, fish, fruit, and vegetables within the said town.

II. Every license to be granted under the provisions of this Act shall be in force until the 1st day of January next ensuing the day therein named for the commencement thereof, and the said Justices shall grant such license whenever it shall be certified to them in writing, under the hand of the Health Officer of the Justices, that such place is fit to be used as a market.

III. The Health Officer upon the application in writing of the owner of any such place shall certify under the preceding section unless such place be defective as a market in drainage, ventilation, water-supply, or proper width of paths and ways therein.

IV. Whoever wilfully or negligently permits any place within the limits aforesaid to be used as a market for the sale of meat, fish, fruit, or vegetables, without a license under this Act shall, unless such place shall have been

used as a market for the sale of similar articles at the time of the passing of this Act, be liable to a penalty not exceeding two hundred Rupees, and shall also be liable to a further penalty not exceeding fifty Rupees for every day during which the said offence shall be continued.

**V.** Whenever three convictions under the provisions of Section IV shall have been pronounced, in respect of the same place, it shall be lawful for any Police Magistrate of Calcutta on the application of the Justices to order such place to be closed, and thereupon to appoint persons, or otherwise take order, to prevent such place being so used; and every person who shall sell or expose for sale meat, fish, fruit, or vegetables in any place which shall have been so closed, shall be liable for each offence to a fine which may extend to ten Rupees.

**VI.** The owner or lessee of every place within the limits aforesaid at the time of the passing of this Act used as a market for the sale of meat, fish, fruit, or vegetables, shall, within six months of the passing of this Act, register or cause to be registered the same in a book to be kept for that purpose by the Justices at their office, in which shall be stated the name of the owner thereof and of the lessee, the extent and boundary of the market, and the description of articles sold therein.

**VII.** Such registration shall be made on the application in writing of the owner or lessee, or some one of the owners or lessees thereof, and every such application shall contain the particulars hereinbefore required to be set out in the registration.

**VIII.** Every transfer of interest in any such market as last aforesaid shall be in like manner registered within two months after the date of transfer.

**IX.** Any market which or the transfer of which shall not be duly registered under the preceding sections shall be deemed to be a place not used as a market at the time of the passing of this Act.

**X.** Whenever any person who shall have been convicted of any offence under this Act, or under Section CXCVIII of Act VI of 1863, passed by the Lieutenant-Governor of Bengal in Council or against any of the bye-laws made or to be made under the provisions of Section CXCI of the said Act in respect to markets, shall again be convicted of an offence against the same provision, the penalty to be inflicted for the first of such subsequent offences shall not be less than one moiety of the maximum penalty provided for such offence, and for the second and every subsequent offence shall not be less than such maximum penalty.

**XI.** The Justices may from time to time, if they shall think fit, with the sanction of the Government of Bengal, provide places within the said town for the purpose of being used as municipal markets, and may charge such rents, tolls, and fees as to them may seem fit for the use of or right to expose goods for sale in such markets, and for the use of shops, stalls, and standings therein.

**XII.** All such rents, tolls, and fees which shall be imposed shall be recoverable by the Justices, from the persons liable to pay the same, as if the amounts payable in respect thereof were rates due to the Justices from such persons under the provisions of the said Act VI of 1863.

**XIII.** It shall be lawful for the Justices to make bye-laws for the establishment and publication of a price current, by measure, weight, or tale, of the articles sold in municipal markets under this Act and for prescribing the mode of sale of such articles.

**XIV.** It shall be lawful for the Justices to expel from any such market any person who or whose servants may be convicted of disobeying any such bye-law, and to prevent such person by himself or his servants further carrying on any trade or business in such market, or occupying any stall or shop therein, and to determine any lease or tenure which such person may have in any such stall or shop.

**XV.** For the acquisition of land for the purpose of municipal markets, and the construction of such markets thereupon, the Justices may, from time to time, with the sanction of the Lieutenant-Governor of Bengal, borrow, in addition to the sum mentioned in Section IX of Act IX of 1867 passed by the Lieutenant-Governor of Bengal in Council, by way of debenture on the security of the lands and buildings thereon, and of the rents, tolls, and fees payable in respect of such markets, and the collateral security of the taxes and dues imposed and levied on account of the municipal fund under any Act passed in that behalf, or of a portion of them, and at such rate of interest and upon such terms as to the time of re-payment and otherwise as the Lieutenant-Governor of Bengal may approve, any sums of money the Justices may require for the objects aforesaid not exceeding in the aggregate six lakhs of Rupees.

**XVI.** All the debentures aforesaid issued under the authority of this Act shall be in the form contained in the schedule to this Act, and shall be transferable by endorsement, and the right to sue in respect of the monies secured by any of such debentures shall be vested in the holders thereof for the time being, without any preference by reason of some of such debentures being prior in date to others.

**XVII.** The Justices may at any time, with such consent as aforesaid, raise, by the issue of new debentures, any money that may be required to pay any monies for the time being due on any debentures issued in pursuance of this Act.

**XVIII.** The security of monies borrowed under the provisions of this Act shall, so far as regards the rates, taxes, and dues imposed and levied on account of the municipal fund, be postponed to the rights and securities of holders of debentures under the provisions of the said Act VI of 1863, and the interest of monies borrowed under this Act shall in the first instance be payable out of the rents, tolls, and fees received under this Act.

XIX. It shall be lawful for the Justices to purchase any land which may be required for the establishment of a municipal market under this Act, and such land shall be deemed to be land required to be taken for public purposes.

XX. This Act shall be read with and as part of Act VI of 1863 passed by the Lieutenant-Governor of Bengal in Council.

XXI. This Act may be called "The Calcutta Markets Act," 1871.

RIVERS THOMPSON,

*Offg. Secy. to the Govt. of Bengal.*

*The 16th June 1871.*—The following Note this day recorded by His Honor the Lieutenant-Governor of Bengal is published for general information :—

#### THE SUBORDINATE EXECUTIVE SERVICE.

I quite agree in the opinions which I find at the commencement of a previous correspondence that it is not desirable to pay young uncovenanted officers 250£ or 300£ per annum for learning their duty by *vivi-section*, and that it is an extraordinary anomaly that, while covenanted servants have passed many examinations before entering the service, uncovenanted servants should enter without any examination at all. As things stand in this country, I do not desire a competitive or comparative system, but I do desire to establish a positive system of examinations.

I would have it that any person who can give satisfactory proof of character, respectability, and general moral and physical fitness, should be admitted to examination; that passing examination should give no claim to an appointment; but that no person should be appointed to a subordinate executive appointment who has not passed, except servants of Government, who have proved their capacity by long service in other appointments. As respects these last also, some examinations on the special subjects required for their new duties would be necessary.

I should like to secure—

- 1st.—A good general education.
- 2nd.—In the case of natives—a certain knowledge of English.
- 3rd.—In the case of Europeans—a certain knowledge of the vernacular.
- 4th.—A knowledge of the most important criminal and revenue laws.
- 5th.—Some knowledge of surveying, and the simplest elements of engineering.

As regards natives, for the 1st and 2nd qualifications the university entrance examination might be accepted as a minimum. That would probably not be too much to ask of the Behar candidates. Any higher degrees would be considered as *pro tanto* in their favor, especially qualifications in civil engineering. The latter would of course render unnecessary all further examination to test the 5th qualification.

All native candidates should be required to show that they can read and write in the vernacular with such facility as to make them good *mohurirs*.

In the case of European candidates, we should test by examination that they possess a thorough knowledge of reading, writing, and arithmetic. They should be able to write well quickly and correctly from dictation, to compose a report, and to do all ordinary arithmetic correctly and quickly. This last should be particularly tested. They should be able to speak and understand the vernacular language, and to read it in print and translate it. Their knowledge of it should be sufficient to enable them to do business easily immediately on appointment.

As regards language, a candidate might choose either Bengalee or Hindoostanee; but if he passed in the latter, he would not be eligible for appointment in a Bengal district, and would, therefore, of course have less chance of obtaining an appointment.

The examination in criminal and revenue law would be confined to the Penal and Criminal Procedure Codes and a few selected laws.

I attach much importance to a certain knowledge of surveying and to the elements of engineering knowledge, both as useful for many things, and as showing that we want more than mere office men.

On the whole subject, however, I may say that my inclination is against appointing young men to high offices in the first instance, and I would much prefer that we should make certain inferior clerkships and similar offices open to all who have passed the university entrance examination, and then encourage them to pass in the Criminal Codes and surveying. Those who have done well and passed in these branches might well look for promotion.

As the system of limited competition once tried has been for some time in abeyance, and the

present proposal is in some respects different from previous plans, it will be necessary to draw out new examination rules. A small committee will be appointed to settle the details on the principles here laid down. Meantime this note, may be published as an intimation to all candidates that they need not hope for appointments till they are prepared to comply with conditions of the character here stated, and to submit themselves to examination under rules which will shortly be promulgated.

RIVERS THOMPSON,  
Offg. Secy. to the Govt. of Bengal.

The following Orders issued by the Government of India, in the Home Department, are republished for general information:—

#### NOTIFICATIONS.

PUBLIC.

Simla, the 6th June 1871.

No. 2748—A.

*Extract from the Proceedings of the Government of India in the Home Department.*

READ again the despatch of Her Majesty's Secretary of State, Revenue, No. 77, dated the 12th October 1869, enclosing a correspondence with the Cotton Supply Association of Manchester, regarding the measures which might be taken for the establishment of a Department of Agriculture in each of the several Provinces of India, and the more active employment of Collectors of districts in matters connected with cotton cultivation.

Read again the following papers on the subject of the proposed establishment of a Department of Agriculture and Commerce in India:—

- 1.—Public despatch from the Government of India, to Her Majesty's Secretary of State, No. 40, dated 6th April 1870, with enclosures.
- 2.—Revenue despatch from Her Majesty's Secretary of State, to the Government of India, No. 61, dated 22nd September 1870.
- 3.—Public despatch from the Government of India, to Her Majesty's Secretary of State, No. 24, dated 22nd February 1871.

Read also the Secretary of State's reply to the despatch last-mentioned, Revenue, No. 16, dated 27th April 1871.

**RESOLUTION.**—The reasons which induced the Government of India to propose the establishment of a new Secretariat, which shall be charged with the superintendence of all measures connected with Revenue, Agriculture, Forests, Commerce, and Industrial Arts of India, are fully stated in the despatch addressed to Her Majesty's Secretary of State, No. 40, dated the 6th April 1870, which is cited at the commencement of this Resolution.

2. The sanction of Her Majesty's Secretary of State to the formation of the new Department has now been communicated to the Government of India in the despatch of the 27th April last, No. 16, after some intermediate correspondence, which is also cited above, and it remains for the Governor General in Council to give effect to the sanction thus conveyed.

3. The Governor General in Council is accordingly pleased to direct that the new Department shall be constituted from the present date, and that it shall be designated the Department of Revenue, Agriculture, and Commerce. It shall be placed under charge of an officer who shall be styled Secretary to the Government of India in that Department.

4. All matters relating to the following subjects, so far as they affect the Provinces of British India, will, with certain exceptions hereafter to be specified, come under the cognizance of the new Department, namely,—

- (1.)—Land Revenue and Settlements.
- (2.)—Tucavee Advances for works of Agricultural Improvement.
- (3.)—Agriculture and Horticulture.
- (4.)—Fibres and Silk.
- (5.)—Studs and Cattle-breeding. Cattle Disease.
- (6.)—Forests.
- (7.)—Meteorology.
- (8.)—Commerce and Trade.
- (9.)—Customs, Sea and Inland.
- (10.)—Opium.
- (11.)—Salt.

- (12.)—Excise.
- (13.)—Stamps.
- (14.)—Minerals and Geological Survey.
- (15.)—Fisheries.
- (16.)—Industrial Arts, Museums, Exhibitions.
- (17.)—Statistics.
- (18.)—Gazetteery.
- (19.)—Weights and Measures.
- (20.)—Census.
- (21.)—Surveys:—Revenue, Topographical, and Trigonometrical.

Besides the above, which fall properly within the scope of the new Department, His Excellency the Governor General in Council has, for reasons of administrative convenience, decided to transfer to it temporarily the following subjects:

Municipalities...	From Home Department.
Sanitary, Lock Hospitals...	
Emigration...	
Settlements of Port Blair and Nicobars (excepting so far as relates to the management of convicts)...	

The actual transfer of the business connected with Sea Customs, Opium, Excise and Stamps will, however, not be made from the Financial Department until further notice.

5. These arrangements will admit of the transfer to the Home Department of certain portions of work at present performed by other departments, but which properly belong to it. A considerable part of the business connected with the internal administration of the Punjab and Oudh, and of the Central and other Non-Regulation Provinces, is still conducted in the Foreign Department. This arrangement was originally one of evident propriety and necessity; but the circumstances of the more important of the so-called Non-Regulation Provinces are now entirely different from what they were some years ago. Both the substantive law and the laws of procedure which are there in force are now for the most part identical with those of the older provinces, and it is inconvenient and anomalous that the Foreign Department should have to deal with matters of a precisely similar character to those which come before the Home Department from other parts of India. The relief given to the Home Office by the formation of the new Department now enables the transfer to be made. Accordingly, the Governor General in Council is pleased to direct that the matters specified in paragraph 4. relating to the Punjab, Oudh, the Central Provinces, British Burmah, and Coorg, which at present are disposed of in the Foreign Department, shall be transferred to the new department of Revenue, Agriculture and Commerce, and that all the remaining business relating to the internal administration of these provinces, shall in like manner be transferred from the Foreign to the Home Department. From the above orders, however, are excepted the districts of the Punjab recently brought under Statute 33 Vic., cap. 3, by Notification No. 2101P, dated 2nd December 1870; the districts of Ajmere and Mhairwarra; and the district of Maunpore. In respect to these districts, the existing system will, for the present, remain unaltered. These are the exceptions referred to in paragraph 4.

*Gazette of India*, Part I., of 3rd December 1870, page 799.

**ORDER**—Ordered, that a copy of the foregoing Resolution, and of the papers cited at the commencement thereof, be communicated to the Departments of the Government of India, the Local Governments and Administrations and the Officers named on the margin for information and guidance, with a request that they will take care to address the Department of Revenue, Agriculture, and Commerce on the subjects above-noted with exception, to Sea Customs, Opium, Excise, Stamps, and the

Ordered, also, that the Financial Department be requested to issue the necessary orders as indicated in paragraph 2 of the despatch to Her Majesty's Secretary of State, No. 24, dated 22nd February 1871, and annexure A thereto attached, regarding the salary to be drawn by the Secretary in the new Department, and the proposed alterations in the allowances of the Under-Secretaries to the Government of India and of the Deputy Commissioner of Inland Customs.

The following Order issued by the Government of India, in the Financial Department, is republished for general information:—

No. 1067.—*Leave and Allowances*.—*Simla, the 9th June 1871*.—The Governor General in Council is pleased to direct that the following rule be inserted as a heading to Chapter VI. of the Covenanted Civil Service Leave Code:—

Privilege leave to Uncovenanted Servants will be regulated by the rules in this Code except in the following respects:

- (1.)—An Uncovenanted Servant overstaying privilege leave by more than one week forfeits his appointment and his past service. It shall be in the power of the authority in whose gift the appointment is to re-appoint the officer, and to make a declaration (to be communicated to the Accountant-General) that none, or that all, or that any part, of his past services shall be forfeited; but if the period of overstay exceed a month, the past service cannot count for pension without the sanction of the Government of India.
- (2.)—An officer whose salary is less than Rs. 200 a month may not draw any part of his leave allowances until he returns to duty.
- (3.)—The rules as to time past on privilege leave counting for pension do not apply, that matter being regulated by the Uncovenanted Service Pension Rules.

2. Since the omission, through inadvertence of the declaration required by Rule (1) entails serious consequences on the officer affected, the Accountant-General should draw to the rule the attention of any officer omitting to make the declaration.

3. This Notification supersedes the under-mentioned orders of this Department:

Financial Resolution No. 3047, dated 8th September 1869, published in page 274 of Part I. of the *Gazette of India* of the 11th idem—

Regarding the necessity of the refund, on re-employment, of the gratuities granted to public servants on being thrown out of employment on abolition of office, in the cases of those desirous of recovering the service for which the gratuity was allowed.

**RESOLUTION.**—The Governor General in Council desires that the several Officers of account in the Civil, Military, and Public Works Departments, will, whenever it is observed that a person, who has previously received a gratuity for being thrown out of employ, has been readmitted into the service of Government, issue to him a notice calling his attention to the Notification of this Department, No. 3047, dated 8th September 1869, and informing him that he must refund the gratuity at once if he wishes to have the service, for which he received the gratuity, counted for pension. The refund may be made in monthly instalments not less than the amount received, divided by the number of months that have passed since it was received, and also not less than one-third of the pay drawn in the new office.
